

REQUEST FOR PROPOSAL

Quil Ceda Village

PRODUCTION PRINTER COPIER
QUESTIONS AND ANSWERS FOR
NOVEMBER 7, 2008

1 QUESTION AND ANSWERS

1. Per section 6.1.16: is the fax & networking faxing a required component for this color production printer?

- a. Is supplementing 6.1.16 with a separate fax server or fax unit required?

Answer: The proposal is required to include that capability. It is up to the vendor to propose an adequate solution integrated into the production printer or separate unit. The desire is an integrated unit.

2. What is the method of procurement desired

- a. It leasing – What term is desired?
 - b. Purchase?

Answer: Procurement method is going to be an outright purchase. The actual payment method and terms will be negotiated with the contract.

3. In reference to: Appendix A – Contract (Pgs 14 –17)

- a. Is this in reference to Lease (if applicable) or Service & Supply Agreement proposed?

Answer: This will govern terms of the purchase including but not limited to delivery, set up, and payment. The vendor should propose their terms of the Service & Supply Agreement.
